Cover Picture - Wharves are always lively and fascinating spots because the scene shifts as boats come and go or as the wind and sky make and erase reflections and change the light and shadows. This is a watercolor painting of boats at Union Wharf in Fairhaven. This is a great place to paint as the wharf forms an L. You can look in on your subjects. .

KHRUSHCHEV'S WORD IS HIS BOND

Many people are convinced that agreements and treaties can be worked out with Khrushchev & Co. Mr. K has recently brought out the crimes of Stalin. He has been presented as a criminal so vicious that a monument is to be erected in Moscow in memory of the murder victims of his black soul. Let us look back to 1949 and see what Khrushchev, Stalin's desciple, had to say about his leader.

"Comrade Stalin, the genius leader *** of our party *** rallied the peoples of our country and led them to the triumph of socialism***. Stalin stood at the cradle of each Soviet republic, protected it *** and paternally helped it to grow and flourish. *** This is why all the peoples of our country, with extraordinary warmth and filial love, call the great Stalin their dear father *** and genius teacher.

"Today the peoples of the great Soviet Union and all advanced progressive mankind wholeheartedly greet our dear Comrade Stalin, inspirer of the indissoluble friendship of peoples.

"Glory to our dear father, *** the genius leading the party, the Soviet people, and the working people of the whole world, Comrade Stalin!"

Khrushchev was sent by Stalin to the Ukraine in 1937. When Mr. K's two year purge had ended, estimated 400,000 people had been killed.

The ways and means committee of the Rochester Parent-Teachers Association are selling a variety of spices which are packaged in white milk glass containers. Persons interested in purchasing any of the spices may contact Mrs. Cranston Lynch, Mrs. Robert Sherman, Mrs. James Duffy, Mrs. David Martin or Mrs. Albie Riley.
